

### Tri možnosti kako urediti prijave:

- 1) Če želite poravnati prijavnine za vse člane skupine skupaj, **nam prosimo pošljite e-mail s skupnim številom tekačev v skupini, da vam posredujemo kodo za popust.**

Podatke vnese vodja skupine kot upravitelj skupine (vsak tekač nato dobi dostop do svoje prijave – zasebne cone). **Kodo za popust vodja vnese za vsakega tekača posebej.**

Plačilo preko prijavnega sistema nato opravi vodja skupine, ki je vnesel vse podatke o tekačih.

- 2) Če želi **vsak član skupine plačati svojo prijavnino**, nam prosimo pošljite e-mail s skupnim številom tekačev v skupini, da vam posredujemo kodo za popust. Svojim kolegom nato vodja skupine deli posebno povezavo (ki jo prejme v e-mailu o potrditvi skupine), preko katere se lahko pridružijo skupini in samostojno opravijo prijavo.

Vsak tekač nato pred plačilom vpiše posebno kodo, ki bo aplicirala popust.

- 3) V primeru, da je **plačnik prijav podjetje**, nas prosimo pred prijavo kontaktirajte na [kocevsko@trailrun.si](mailto:kocevsko@trailrun.si).

Posredujte nam podatke podjetja (naziv, naslov, davčno številko, kontaktno osebo) in seznam tekačev po izbranih razdaljah (ime + priimek + razdalja).

### Three options on how to proceed with group registration:

- 1) If you want to pay the registration fee for all group members together, **please send us an e-mail with the total number of runners in the group so that we can provide you with a discount code.**

The data is entered by the group leader as the group administrator (each runner then gets access to their own registration - private zone). **The leader enters the discount code for each runner separately.**

The payment is then made through the registration system by the group leader, who has entered all the runner data.

- 2) If each group **member wants to pay their own registration fee**, please send us an e-mail with the total number of runners in the group so that we can provide you with a discount code.

The group leader then shares a special link (which they receive in the group confirmation e-mail) with their colleagues, through which they can join the group and complete the registration independently.

Each runner then enters a special code before payment, which will apply the discount.

- 3) In the event that the **registration payer is a company**, please contact us at [kocevsko@trailrun.si](mailto:kocevsko@trailrun.si) before registration.

Please provide us with your company details (name, address, tax number, contact person) and a list of runners for the selected distances (first name + last name + distance).
